Customer acknowledges that this document is binding and enforceable and that the terms and conditions set forth herein, along with the Utility's Tariff, or other applicable Choice Gas Program documents, will become effective when Customer enrolls in Index Pricing, Fixed Pricing, or any other non-WinterGuard service (the "Services"). These terms and conditions do not apply to WinterGuard service.

General Terms.

Customer's monthly payment for all of Customer's natural gas usage will be calculated using the proper Index Pricing or Fixed Pricing formula, as selected by the Customer, at the time Customer enrolls in Service.

Changes in Law or Market Structure.

If a change in or implementation of law, rule, regulation, ordinance, statute, judicial decision, administrative order, Utility tariffs, interstate transportation pipeline tariffs or the like causes BHES costs under this Utility program to increase, BHES will have the right to pass such increased costs on to you without prior notice. The changes described in this Section may change any or all of the charges described in this Agreement.

Term of Agreement and Payment Terms.

The Utility will provide the monthly bills to Customer for the BHES natural gas commodity service beginning in June and for each month of Customer's continuing Service. The Service contract term shall either be for a twelve (12) or twenty-four (24) month period starting with Customer's first billing month.
